Dear Leonard,

On behalf of The Credit Valley Hospital and the patients we serve, please extend a special thank you to all members of the Mississauga Bassmasters for their recent donation of \$550.00.

Since opening its doors in 1985, Credit Valley Hospital has been serving our community with a level of care, focus and passion that has been recognized across the country. This passion for patient-focused care has put Credit Valley at the forefront of health care in Peel region and beyond.

No longer just a community hospital, Credit Valley has been recognized for its high standard of care by the Ministry of Health and has been designated as a regional centre of excellence for its programs in Renal Dialysis, Genetics, Maternal & Child Health and Oncology. As a Regional Centre, Credit Valley has broadened its current services to all our communities, extending beyond Peel and Halton region to Dufferin, Simcoe, Wellington and the GTA West, to serve the health care needs of over 2 million people.

To better meet the needs of our expanding community, The Credit Valley Hospital is undergoing a \$300+ million expansion. Your contribution to Credit Valley's \$50 Million *World Class Right Here* Capital Campaign has made a difference to the lives of so many.

Once again, thank you for your continued generosity. It was a pleasure meeting you and I look forward to working with you in the near future.

Sincerely,

Suzanne Hallsworth  
Development Manager, Communications
